Notes...

Spring is just around the corner but until then... we just have to make the best of what we have.

We have an open kitchen daily for lunches and into the evening for dinner. Please remember to consider your Lodge when you are choosing a place to eat. Why not bring some friends in to enjoy a meal with you?

Part of the responsibilities of this office is to reduce or eliminate wasteful spending. Let's not take our kitchen and our staff for granted. Please show your support these endeavors.

Remember, the success or failure of any fraternal organization lies squarely on the shoulders of its people.

GOVERNOR'S MESSAGE

Well it's that time of the year again. I'm talking about election time.... This time your choice isn't republican or democrat, I'm talking about who is going to run for Lodge Officers!

We will be taking nominations for officers starting sometime this month with the elections to be held in April. The offices open for nominations at the present time are Governor (must have held another office for at least one year), Jr. Governor, Prelate, Treasurer and 3 year trustee.

If you are thinking about becoming an officer or would like to nominate someone, please fill out one of the forms and turn it in. (They will be available in the social quarters).

Remember you can not campaign for office, no written material. You can tell people you are running for a particular office and ask for their support but that is all.

Please keep in mind that our officers are looking for your input and help to move this lodge forward.

New members are asked to attend a lodge meeting with their sponsor so we as officers, can get a chance to meet and greet them and they can get a better understanding as to what is going on.

Why not join us?

I still have a couple of months as Governor left so I will write you again next month.

Fraternally,
Dick Minor

Prelate Notes:

Entering the month of February, please remember that it is heart month. Also keep on mind the first Friday in February is National Wear Red Day. Show your support for the fight against women's heart disease! So be kind to your heart. Eat right, exercise & get your rest & relaxation time.

Condolences go out to "Hammer" and his family during their time of grief from the loss of his mother. Get well wishes and speedy recovery go out to Eric Fischer & Dave Smith and others not wanting to be mentioned!

If I can be of any further assistance you can find me at the Lodge.

Your Prelate,

Tim Exum

GOLDEN MOOSE NEWS

FROM ANN

Our Business Meeting and Pot Luck Luncheon was held on Jan 13th.

I hope that those who attended all had a good time. Due to the lack of interest, the trip to Greektown has been postponed. (Perhaps when the weather breaks we may want to try it again).

At this time there are not any trips scheduled for February or March.

Walter Holmes I still taking Golden Moose dues for 2011. Dues are still only \$ 5.00 for the entire year!! If you have not already paid your 2011 dues, then please do so ASAP.

Thankyou!

On behalf of Lodge 778 & Chapter 907 I would like to thank Shirley for all of the years of service and hours of time donated to prepare our monthly newsletter.

After more years than she probably wants to think about, Shirley has decided to pass the torch in regards to publishing our newsletter. For the time being, and until further notice please provide any points of interest for publishing to me. Shirley has left big shoes to fill and her efforts will be missed! Thanks Shirley!

Shout-Outs !

Last month our kitchen sent out a plea for some much needed things. Thanks go out to those of you who contributed to the cause. We received some dish towels, crock pot, silverware and more! -

Shout out to those who have donated to our propane fund for the patio! If you feel lead... your continued support is appreciated. Without your help we would not be able to provide the propane.

Smokers & Friends

Remember to turn the patio heater knob back down when you go back inside. This is being left on too many times and wastes

our propane!

Thanks!
