## Happy Anniversary !

In the last few months we have had the pleasure Of being part of several birthday celebrations and more than one 50th anniversary celebration- (which by any standard is awesome!) but way back on *April 12, 1888* Moose Fraternity began!

Think of all the good causes and people that have been touched by our great fraternity over the last 123 years! Let's continue to keep up the good work. I ask you to consider.....

Notice something nice about someone you don't know and pay them a compliment. It just might make their day!

Call a friend you haven't talked to for a long time. It just might make them smile!

Think of some way to help someone in need and then do-it! It just might make YOU smile!

Think of the hearts of the children at Mooseheart and the seniors at Moosehaven who have been blessed by these programs- provided by and funded by your generosity.

Give to the endowment fund with a cheerful heart- for being part of such a great cause can't help but be good for your own heart as well!

# Administrator's Notes..

Look at the names to the left of this article. I would ask you to thank these men for their contributions to our Lodge over the past year. I feel we have overcome a lot of obstacles both as a Lodge and as your Board during the last year.

I looking forward to working with both the new men who have come forward to help with the upcoming year, and our "seasoned" veterans who have decided to continue for yet another year of service!

Please continue to give us your feed-back on things you feel could perhaps be made a little better, especially if you are willing to help make the changes if need be.

- Ed

# GOVERNOR'S MESSAGE

This is the last message I will be giving you from the newsletter. Next month you will be hearing from your new Governor—Les Glauner! I would hope and expect you will give Les your full support as he begins his first term as Governor.

I believe he will do a good job for you this year but it can't be done alone. Even though we have our officers for the year, why not consider jumping in with some of the other duties that need taken care of each time we have dinners, events or functions...after all, isn't this a "Members" lodge?

I would like to thank Joan Exum for the decorations, Skip and the horse-shoe players for creating the horse shoe pits . Thanks go to the WOTM for your support during this last year. I am sure I have forgot many people who deserve my thanks for their help this last year and for that I am truly sorry!

It has been a pleasure to serve you this last year, but you can be sure you will still see me around. I have not quit, I have just changed hats!

Fraternally,  
Dick Minor

**MEMBER NOTICE**

If you have any problems with your membership or questions about applications or running for officer positions, please call Shirley at 216 -362-6939 or Joni Roberts at 440-322-6857 and set up an appointment to meet at the lodge. The office at the lodge can no longer take care of the Women of the Moose business. Please do **NOT** call the office for any information about the Chapter.

Ladies, this is the last month of the chapter year and I have been happy to help as your Senior Regent Pro-Tem for the year. Thanks to all the coworkers who helped and supported the officers and me through an interesting time. I will be here to help the incoming officers in any way I can.

The new officers are as follows: Jeanette Smith, Junior Grad Regent, Joyce Jirak, Senior Regent, Tammy Fischer, Junior Regent, Conni Wiech, Chaplain, Lisa Workman, Sec./Treas.

I am sure they will do an admiral job and hopefully all co-workers will be there for them. We definitely need more involvement from our members at meetings and events. Bake sales, dinners, children's parties, etc.

Welcome to all the new members and remember that the NO application fee program and the membership drive of a year's free dues, also ends this month and must be reported before the end of the month.

Our monthly dinner is April 16th and will be beef tips over noodles with all the trimmings. We encourage you to come in for a home-cooked comfort-food meal and stay for our special entertainment. Making a rare Saturday appearance will be BILLY FISCHER!!! His shows here have been creating quite a stir so why not come and see him? Dinners will be limited so come early, eat hearty and get a good seat for his performance,. His show starts at 7:30 PM and continues until 11:00 PM

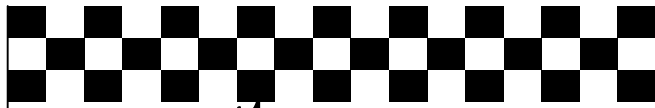

The sign up sheet is in the Social Quarters for the children's Easter Egg Hunt being held on April 23rd at 1 PM to 3 PM. Children and Grandchildren 9 and under, are invited. The Easter Bunny will be there for pictures so bring your cameras. Snacks will be provided and, of course, candy filled eggs. Please sign early so the Easter Bunny will know to make sure everyone enjoys themselves. Last day to sign is April 20th. Help for this would be appreciated.

The Chapter has a bake sale the first Friday of the month and your donations of your favorite bakery items will be more than welcome. If necessary, you may drop them off during the day at the Lodge. We also have ice cream sundaes on Pork Chop Night for only a dollar with toppings you can put on yourself.

Once again, I thank all of you who have supported the efforts of our chapter and officers.

Joni Roberts, Senior Regent Pro-Tem  
Board of officers of Chapter 907

## Shout-Outs!

**Grateful** to our kitchen staff- Carol, Skip, Abby and Chuck for the hard work and long hours of preparation for our St. Patty's Day celebration. Much planning and hard work went into this event in order to make it the success it was!

**Shout out** to Linda G. for her hard work and time given in a hot kitchen making sure the corned beef was "just right" . And it was!!

### Thanks to:

The unspoken givers of themselves.

The talented giver of the beautiful Easter eggs created and donated to our Lodge for raffles.

The hard work and time given to update our showcase in the lobby and a general spruce-up!

You, our members! For without you, and your support, none of this would be possible!
