PRELATE'S NEWS

As the season changes and the leaves begin to fall, let us remember the beauty of our members as well.

I would like to send our condolences to the families of Fran Gilgenbach, Wanda Binggeli and Jerry Williams. They will truly be missed.

Get well wishes to those in need and as always, if I can be of any help to you or yours, I can be reached at the lodge..

Administrator's Notes

I want to take a short look back over the past few months and allow you to take notice of just a few of the really cool things that have happened due to people giving of either their time, financial resources, and/or both.....

A new roof was put on our patio (I know I've addressed this one before but it bears repeating). Roof leak fixed, ceiling (because of roof leak)-fixed. Furnace fixed. A/C unit repaired. Bi-fold door track repaired. Coolers. Ice machine, etc.. It seems that because of the age of our building and lot of our equipment, something is always in need of being fixed. My gratitude to those of you who contributed to the "cause" in one form or another!

There are so many good people in our Lodge and so many little kind things done (such as donated dish towels just because a bartender was noticed using one with a hole in it) it becomes impossible to bring to light all the good deeds "done dirt cheap" . But I do want to give a shout out of thanks to our Golden Moose and the special few who provided a long overdue audit of our numbered chips. To the Venture Crew for the donation of a brand new commercial grade toaster for our kitchen, and to you , our members for you continued support!

GOVERNOR'S MEMO

Well, the holiday season is getting nearer so watch for all the notices about upcoming events.

As usual, I want to thank all of our employees. They do such a great job, far beyond what is required for their positions.

We also want to thank the volunteers who we couldn't survive without them. Helping an dinners, decorating, supporting all of our activities is number one with them.

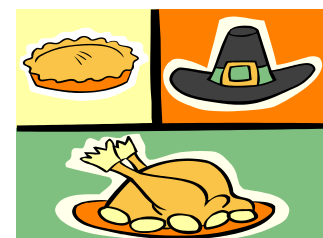

New Year's Eve tickets will be going on sale soon so make sure to include the lodge in your plans for the holidays.

The district meeting in November is in Painesville and is your chance to meet others and maybe get some ideas for events here. There will be no district meeting in December but January's will be here at our lodge I know that sometimes the meetings can be a little boring but they are necessary and you will hear about Mooseheart Child City and Moosehaven.

So until next month here's wishing you a Happy Thanksgiving from the board of officers and me.

Fraternally,

Dick Minor
