# Every 100 Years ...

We get a chance to throw a party that is known to be different than the others. Oct 8th Centennial Celebration Party was one that...

Well... takes the cake!

We all got a chance to look over a part of our history dug out of the archives at the request of our Governor Les.

Food design by Ardie, Carol, and Abby was perfect in plan, and with Chuck and Bryant's help... was perfect in execution as well!

Many people took advantage of the opportunity to dress up for the evening as well as taking advantage of our wonderful dance floor with music being provided by a top notch band! In a nut shell, if you missed it.. Well...

**YOU MISSED OUT!**

## Administrator's Notes..

### Thanks Giving...

Many of us will recognize Thursday Nov 24 as a day of Thanksgiving. Memories will be created and perhaps family traditions will once again be passed down from the elders to the young.

As we celebrate this holiday, and we begin to bring our thoughts towards the closing of yet another year, I am reminded of the many things we all should be thankful for.

Our families, friends, health, country.. Those are a given.. But sometimes how we express our gratitude is the true measure of a person. Do we support and nourish our families, do we make the calls or visits to our friends, do we take care of our bodies, do we vote or thank a veteran for his/her service?

I want to thank YOU our Moose family, our Moose friends. For the new volunteers stepping forward to help out and those of you who continue to show your loyalty to this fraternity, I truly give Thanks!

Till Next Month—Ed

-Ed

MEETINGS 2ND AND 4TH

THURSDAY BOTH AT

7 PM

# WOMEN OF THE MOOSE

CHAPTER 907

Ladies,

Thank you for the good response to our letter. We appreciated your participation in our meeting with an active discussion from all. Please remember that the chapter needs your input and help.

The plans are being arranged for the children' Christmas Party on December 17th.(time to be announced on sign up sheet) and the WOTM party on December 4th at 4pm. The time has been adjusted due to an activity earlier in the day. Sign up sheets will be available for both events with more details in the Social Quarters.

We hope to see you at our Seafood Platter dinner on November 19th. We figured you will be getting your fill of turkey and ham on Thanksgiving! That is the same evening as the Night at the Races so why not come out, join us for dinner and then enjoy an evening of entertainment sure to please!

There will be a large box in the Social Quarters for the "Not-Forgotten" program. Perhaps as you are playing the "Claw" game you might want to donate your prizes to the Lodge to be put into the box to be distributed to less fortunate children?

We would also ask you to keep our sick and disabled members in your thoughts and prayers. Josephine Skaggs can use our special prayers right now to help her over her hurdle.

See you at our November meetings—10th & 22nd. Please note that the second meeting of the month will be on TUESDAY instead of Thursday (Thanksgiving Day).

The Board of Officers wish you a Happy Thanksgiving and we all thank you for supporting the Lodge and Chapter!

Joyce Jirak- Senior Regent

### **Shout-Outs !**

Thanks go Out to our team of bartenders. The last few weeks have been crazy for all of them (Especially Saturday Nights). Back from her vacation, we are happy to have Stephanie D. back behind the bar in the evenings again. While working short-handed, your bartenders did a great job covering shifts. Special thanks goes out to KIM!

With that being said, make sure you introduce your self to our newest face behind the bar... Lisa. She has had to hit the ground running, and is already looking like a veteran bartender here at the Moose!

There is so much more than pouring a drink that goes on behind that bar, so please remember to be patient with the bartenders... they are asked to do so many things at one time, sometimes your patience (and maybe theirs) can be tried. Again, don't forget to tip them when you get Winning service.

Great work Bob... our lodge home stays clean, smells fresh, and looks great much because of the work done behind the scenes before we even open! His attention to detail sets him at a cut above!
