**Administrator Notes**

Once again Summer begins to give way to Fall. Funny how fast summers go by! If only winter was that way....

I hope you all had a chance to enjoy some time for family, friends, and good times. Come to think of it, isn't that some of the reasons for being a member here?

Please let me or your officers know if you have any ideas for special events for the coming months that you would like to help bring about. As I said, this is your Lodge and member involvement and support is critical to ensure its continued success!!

In the recent months we have been trying to provide as many activities as possible. I want this place to be "your place". So now is the time to step up and be counted.

Some new faces helping with our dinners, raffles, set-ups and clean-ups every once in a while can help prevent "burn out" in those that give so much to help this Lodge...our Volunteers. Please see me if you can help out. Help us to once again make this Lodge "The Friendliest Place in Town". A place where you meet with family and friends and the difference between the two becomes blurred!!

**Governor's Message**

Members! School is back in session so be careful driving especially in school zones!

A clam bake is on the schedule and I hope to see even more members attend than did at the Lodge picnic. At the picnic, those who attended had a good time. Remember that these events are planned for YOU and we hope to continue with YOUR support.

I want to wish Steph (night crew Steph) a very happy and wonderful wedding. When you see her here at the lodge, extend your best wishes for her future happiness.

Some of us were able to go to the conference in Independence and came back with several points of interest. They talked a lot about Safe Surfing for your children on the internet. There are many "freaks and nasties" on the internet so please be aware of what and where your children going when they are on the computer. Make sure you check to see what's happening. Let's keep them safe from predators.

Fraternally,  
Dick Minor

**MEETINGS 2ND AND  
4TH  
THURSDAY BOTH AT 7  
PM**

Now that school is back in session, the age old question is "What can I fix for lunch for me and a few friends?" Why not bring them to the lodge, enjoy a great meal at a fair price and meet some of the members at the "Friendliest Place in Town?". When they find out about the benefits a member has, tell them about the Women of the Moose, family activities, community service and fun.

For our Sept. dinner on the 18th, we will be serving a special fried chicken dinner. Chicken, mashed potatoes, green beans, salad and dessert. "Kelvis" will be the entertainment that evening and you will want to have a good seat. Eat dinner and stay for this dynamic entertainer.

Our chapter is still looking for some of our fabulous members to come forward and volunteer to help by becoming an officer for the remainder of the chapter year. Also, as a member, you will want to volunteer at some of the functions that the lodge and chapter hold just for YOU.

Congratulations to those members who have signed two new candidates for membership and therefore having their dues paid for next year!!!!!!

Senior Regent Pro-Tem

Hello Everyone,

There was no business meeting in August. Our annual picnic was held on August 12 in lieu of the meeting.

A special thanks to all who helped make the picnic a big success! Thank you to Dick Minor for getting the delicious corn from Globes.

On Tuesday, Sept 21, we will be going to Meadows Casino in Washington, Pa. They have more than 3700 of the hottest slots, black jack, three card poker and electronics table games.

If you like to bowl, they have a twenty-four lane bowling alley and a food court.

The casino will put \$20.00 on your card. The price of the trip is \$35.00 with Elyria Golden Moose paying just \$30.00.

If interested, contact Dolly Morris at 440-327-8564.

Ann Popernack  
President
